Mensah Financial Group — Acceptable Use Policy

Version 1.0 · Applies to all employees and contractors (lab exercise document)

1. Purpose

This policy sets out the rules for using Mensah Financial Group (MFG) systems, accounts, and data. Access to MFG resources is granted for authorized business purposes only.

2. Account Security

You are responsible for all activity performed with your account. Do not share passwords, authentication codes, or security keys. Report a lost device or suspected compromise to the IT Service Desk immediately.

3. Data Protection

Customer and financial data must be handled in accordance with MFG data classification standards. Do not copy confidential data to personal devices or unapproved services.

4. Monitoring

MFG may monitor use of its systems to protect security, ensure compliance, and meet regulatory obligations. Sign-in and activity logs are retained.

5. Acceptance

By selecting Accept, you confirm that you have read, understood, and agree to follow this policy. Violations may result in disciplinary action up to and including termination.
